

Miramac Metals INC.

Steelform Fencing

Catalog

The background features a large, semi-transparent watermark of the Miramac Metals logo. It consists of a stylized 'M' shape in blue and yellow, with the word 'METALS' written vertically in yellow inside the right side of the 'M'.

Designer Profile

The Designer Profile offers an identical look on both sides.

Fence Panels can be installed with either wood or steel framing.

Miramac Metals, Inc. can manufacture steel fencing trim in any color. Add a pop of color or match your panels with the frame for a more flush look.
